

Model Conference of Parties

7th, 8th and 9th November 2025

ABOUT ICFAI LAW SCHOOL, HYDERABAD

ICFAI Law School, Hyderabad, a constituent of the ICFAI Foundation for Higher Education (IFHE), Deemed-to-be University under Section 3 of the UGC Act, 1956, was founded with the vision of Late N. J. Yasaswy (1950–2011), Founder of the ICFAI Group. Guided by Dr. P. Ravisekhara Raju (Director), Prof. (Dr.) Y. Pratap Reddy (Dean) and Dr. A. Arun Kumar (Assistant Dean, Student Activities), the Law School has grown into a center of academic excellence and professional exposure. Nestled in the green IFHE campus, it offers a stimulating environment for students to pursue their legal education. Its curriculum blends academic rigor with practical learning, supported by highly qualified faculty and research-driven teaching. With Centers of Excellence in Environmental Law, Corporate and Commercial Law, Cyber Law, and Criminal Law, students receive both specialized and diverse legal training. Regular internships, workshops, and expert interactions prepare them for real-world challenges.

Beyond academics, the Law School fosters a vibrant student life through clubs such as Erga Literarium (Literary Club), GAIA (Environment Club), Moot Court Society, Legal Aid Society, Saksham (Social Responsibility Club), and the Cultural Club. It also hosts moot court competitions, ICON (ICFAI Conversations), conferences, seminars, and cultural events, promoting leadership and creativity. This ecosystem nurtures well-rounded growth, ensuring students evolve into competent legal professionals, responsible citizens, and change-makers of tomorrow.

SAKSHAM CLUB

SAKSHAM the Social Responsibility Club of ICFAI Law School, Hyderabad is a student-driven initiative committed to contributing towards the full implementation of the 17 Sustainable Development Goals (SDGs) while nurturing empathy, civic responsibility, and social awareness within society. The club bridges academics with real-world impact by addressing social, educational, and environmental issues through workshops, outreach programs, and awareness drives. It has undertaken initiatives such as bridging the learning gap in government schools in and around Shankarpally Town of RR District, conducting hygiene and self-care workshops, and performing a thought-provoking Nukkad-Natak to spread awareness on pressing concerns. Through such impactful efforts, **SAKSHAM** fosters responsibility, inclusivity, and active participation, empowering students to contribute meaningfully to the community and emerge as socially conscious individuals.

ICFAI LAW SCHOOL

GAIA CLUB

The **GAIA Club** of ICFAI Law School, Hyderabad, is an environment-focused student initiative that strives to spread awareness, encourage sustainable lifestyles, and engage students in addressing ecological challenges. The club serves as a platform for students to blend academics with activism, promoting responsibility, innovation, and community engagement in environmental causes. It has organized impactful activities such as debates on environmental law, World Wildlife Week competitions, awareness programs in schools, and ideation contests on Sustainable Development Goals, and nest hanging for bird conservation. The club also collaborated in Thrithi celebrations with creative events, hosted an international conference on environmental governance, and marked the International Day for Biological Diversity with a visit to the Institute of Forest Biodiversity. Through these initiatives, **GAIA** continues to nurture environmentally conscious leaders who are committed to building a greener and more sustainable future.

EVENT INFORMATION

ICFAI Law School is organizing its first Model COP (Conference of Parties), marking a milestone in its commitment to experiential learning. Known for integrating theory with real-world applications, the school aims to foster critical thinking, negotiation, and diplomatic skills by simulating global environmental and legal policymaking forums. This initiative enhances students' understanding of international law, environmental policies, and multilateral negotiations while cultivating leadership, teamwork, and advocacy. It highlights ICFAI's vision of producing market-ready legal professionals capable of addressing complex socio-economic and political issues.

The Model COP reflects the school's mission to blend theory with practice, enrich intellectual and professional growth, and reinforce its standing as a Centre for Excellence in Legal Education. By prioritizing community involvement and climate action, this event instills environmental consciousness and responsibility in students, preparing them as future leaders and advocates for sustainable development.

CONFERENCE OF PARTIES (COP)

The Conference of the Parties (COP) is the supreme decision-making body of the UNFCCC, comprising 198 nations including the European Union. Held annually by the UNFCCC Secretariat, it brings together world leaders, negotiators, scientists, businesses, and civil society to review climate progress, strengthen commitments, negotiate agreements, and coordinate actions against global warming. At each summit, countries submit emission data, form negotiating blocs, and debate key issues such as climate finance, adaptation, mitigation, technology transfer, and biodiversity protection. COP has produced landmark agreements like the Kyoto Protocol and the Paris Agreement, shaping the global climate agenda. The upcoming COP30 will be hosted in Belém, Brazil, from November 10–21, 2025, marking the first time it will be held in the Amazon rainforest region and emphasizing Brazil's vital role in global climate action.

ABOUT MODEL COP

COP The Model COP (Model Conference of the Parties) is an inspiring, multi-day simulation modeled after United Nations COP summits, designed to empower young people to step into the shoes of international climate negotiators and leaders. Participants serve as delegates for nations, blocs, or organizations, engaging dynamically in real-world negotiation roles that address urgent topics such as climate adaptation, sustainable development, climate finance, and biodiversity protection.
