2025

TIMINGS: 10AM TO 4PM

Event Details

Event Name: EduSpark 2025

Organized by: ICFAI Tech Entrepreneurship Club (ITEC)

Date: November 11, 2025

Occasion: National Education Day

Venue: FST Auditorium, ICFAI Foundation for Higher Education Campus

Executive Summary

The ICFAI Tech Entrepreneurship Club (ITEC) successfully conducted "EduSpark 2025" on November 11, 2025, which was celebrated as National Education Day. It aimed at inspiring young minds towards entrepreneurship, innovation, and experiential learning through interactive sessions and engaging activities. The program witnessed enthusiastic participation from two prominent schools in the region, fostering a spirit of learning and collaboration.

Event Objectives

1. On the birth anniversary of Maulana Abul Kalam Azad and the day celebrated as National Education Day,
2. To introduce school students to the concepts of entrepreneurship and startup culture.
3. To provide a platform for knowledge sharing through expert interaction.
4. Nurture innovative thinking and problem-solving skills in young learners.
5. Strengthen community engagement and institutional collaboration.

Event Description

1. Participating Schools

The event successfully brought together students from two distinguished educational institutions:

VIDYA VIKAS High School - 54 students participated.

SMP Universal - 31 students participated.

2. Guest Speaker Session

Speaker: Siram sankeerth

Topic: Entrepreneurship Journey and Startup Ecosystem

The key inspiration of EduSpark 2025 was a motivational speech by Siram sir, an accomplished entrepreneur who spoke on many valuable insights about:

- His personal entrepreneurial journey and experiences
- Fundamentals of building a successful startup
- Importance of innovation and creative thinking
- Overcoming obstacles in the business environment
- Career Opportunities in the Startup Ecosystem

The session was immensely interactive, with active participation by the students in the form of house questions and discussions. The speaker's real-life stories really connected with the students and inspired them to see entrepreneurship as an exciting and possible career path.

3. Interactive Activities

In order to make it more interesting and informational, ITEC has organized interactive games and competitions

- Riddle Rush
- Mini Talk

4. Campus Tour

Students participating in the experiential learning initiative were taken on an extended tour of the campus. The educational infrastructure that the students got to see on campus motivated and exposed them to aspire for a higher education setting.

5. Hospitality

ITEC made comfortable hospitality available to all participants, including:

- Wholesome lunch for all students and the accompanying teachers, guest.
- Snacks and beverages at breaks.
- Some return gifts to school children.

- Participating Schools
- Guest Speaker Session
- Interactive Activities
- Campus Tour
- Hospitality

8. G. Rithvik

9. P. Bala Augustine

10. Loukya

Conclusion

EduSpark 2025 met its goals of inspiring young minds and encouraging entrepreneurial thinking during National Education Day. The event once again demonstrated ITEC's dedication to promoting innovation and providing valuable learning experiences outside of the classroom. The strong positive feedback from students, teachers, and participants confirms the influence these initiatives will have on developing future entrepreneurs and creative thinkers.

The ICFAI Tech Entrepreneurship Club anticipates more impactful events that connect academic learning with real-world applications. These efforts help fulfill the university's vision of nurturing future leaders and change makers.

Special Thanks

We extend our heartfelt gratitude to the Nexus Club for capturing the memorable moments of Eduspark 2025 through their excellent photography support.
