

IFHE Deemed University Hyderabad- PhD Scholars Information

S. No.	Name of PhD Scholar	Department	Enrollment No.	Enrollment No.	Date of Registration	Research Topic	Likely date of completion of Ph.D.
1	Swapna Samala	Chemistry	16STRCHH010001	16STRCHH010001	11-01-2016	Kinetic and catalytic study of complexes of high valence transition metals with highly hindered chelating ligands	November, 2020
2	Ravikiran Uppala	Physics	16STRCHH010002	16STRCHH010002	11-01-2016	Synthesis, characterisation and property studies of high performance environment friendly Lead free piezoelectrics	November, 2020
3	Rudrarapu Aravind	Chemistry	16STRCHH010003	16STRCHH010003	15-11-2016	Synthesis of novel high valence transition metal complexes with mixed ligands and study of their kinetic, catalytic and biological activities	November, 2020
4	V Srinivas Chary	Mathematics	17STRCHH010001	17STRCHH010001	13-09-2017	Yet to be decided	September, 2021
5	Akash Kumar Sahu	Chemistry	17STRCHH010002	17STRCHH010002	13-09-2017	Yet to be decided	September, 2021
6	Rajesh Gudepu	Mathematics	17STRCHH010003	17STRCHH010003	26-09-2017	Yet to be decided	September, 2021
