

Faculty Profile

Name: **P. Ramana Vijaya Kumar**
Designation: Faculty Associate
Teaching Areas: Engineering Mathematics
Probability & Statistics
Operations Research
Research Interests: Algebra
Fuzzy Logic
Soft Computing
Education: M.Sc. (Mathematics), M.Phil. (Mathematics)

Professional Experience:

1. Lecturer (June 1999 – April 2006)
2. Faculty Member (August 2006 – March 2010)
3. Faculty Associate (September 2010 till date)

Research / Selected Publications:

1. Performance evaluation of Congestion Control Scheme in Distributed Multimedia Streaming –IJCCE Volume-3, Issue-4, July-2012.
2. Review study on design of finite impulse response filter - International Journal of Electronics Communications and Computer Engineering, Vol-3, Issue 1, April-2012.
