About ICFAI School of Social Sciences (ISoSS), Hyderabad

ICFAI School of Social Sciences (ISoSS), Hyderabad is a constituent of the ICFAI Foundation of Higher Education (IFHE), a Deemed to be University as per the UGC Act 1956. IFHE has been awarded the National Assessment and Accreditation Council (NAAC) rating of A++ and it is Category I Autonomous Institution. The School of Social Sciences offers BA Economics, BSc Economics, BSc Psychology, B.Com, MSc Economics, and PhD in Economics (Full Time) and PhD in Development Studies and Public Policy for working professionals. It also offers courses at Business School for BBA, and MBA Programs. Faculty members have conducted quality research funded by national and international agencies. They publish the research output in reputed national and international journals and books.

The mission of the institute is to offer high-quality education in the domain of economics and other social science subjects that equip students with the right knowledge, skills and attitudes required to succeed in a dynamic world.

About IGIDR, Mumbai

Indira Gandhi Institute of Development Research (IGIDR) is an advanced research institute established and fully funded by the Reserve Bank of India for carrying out research on development issues from a multi-disciplinary point of view. Subsequently, the Institute was recognized as a Deemed University under Section 3 of the UGC Act. Since then it has been awarded the highest National Assessment and Accreditation Council (NAAC) rating of A++ (under the old methodology) given to Indian academic institutions. Starting as a purely research institution, it rapidly developed into a full-fledged teaching cum research organization when it launched a PhD program in the field of development studies in 1990.

About the Conference

The Doctoral Thesis Conference (DTC) has received wide recognition from researchers across various universities and institutions of repute in India and overseas since its inception in 2007. The enthusiastic and positive responses of the participants in the previous Doctoral Thesis Conferences inspire us to continue this effort. We are also pleased to inform that we have introduced a special and separate track for PhD Scholars who are at the initial stage of their program to present their PhD proposals. This would help them streamline their research thoughts and have a well-defined PhD proposal.

Objectives: The Doctoral Thesis conference is expected:

- to provide a platform for sharing the research ideas
- to provide a platform to meet domain experts to discuss research ideas, methodologies and career prospects
- to provide a platform for scholars to make informal networks with their peers from other institutions

Call for Papers: There would be two tracks in the 17th Doctoral Thesis Conference.

Track 1:

Research Design Presentation

Papers are invited from those scholars who are in their initial stages of PhD. Research scholars who have completed their course work and have made progress in research proposal are expected to participate. Participants in this track are not expected to present any estimation results and are requested to follow the following structure for paper submission: Introduction, Extensive literature survey, Research gaps, Objectives, Proposed Hypothesis, Proposed Methodology, Expected contribution to the literature.

Track 2:

Advanced Research Paper Presentation

Track two is for scholars who are in their advanced stages of thesis. Research scholars who have made progress in thesis work and are near to submission/submitted and waiting for defence are expected to participate. Participants are requested to follow the following structure for paper submission: Introduction, Extensive literature review, Research gaps, Objectives, Hypothesis, Methodology, interpretation of results, Conclusion and policy or managerial implications.
