- **Event Outcomes** The gathering has a great impact in understanding the importance of the old heritage structures and understood the relevance of the past in the current SDG goals.

Event Brief

The International Day for Monuments and Sites is observed each year on 18 April all around the world. The International observance of this day was proposed by the International Council on Monuments and Sites (**ICOMOS**) in 1982 and approved by

the General Assembly of **UNESCO** in 1983. This Day is observed to promotes awareness about the diversity of cultural heritage of humanity, their vulnerability and the efforts required for their protection and conservation

To celebrate this day and create awareness about architectural heritage and cultural diversity of Telangana. ICFAI School of Architecture had invited Ar. Madhu Vottery, an Expert member International Scientific Committee ICOMOS Cultural Tourism.

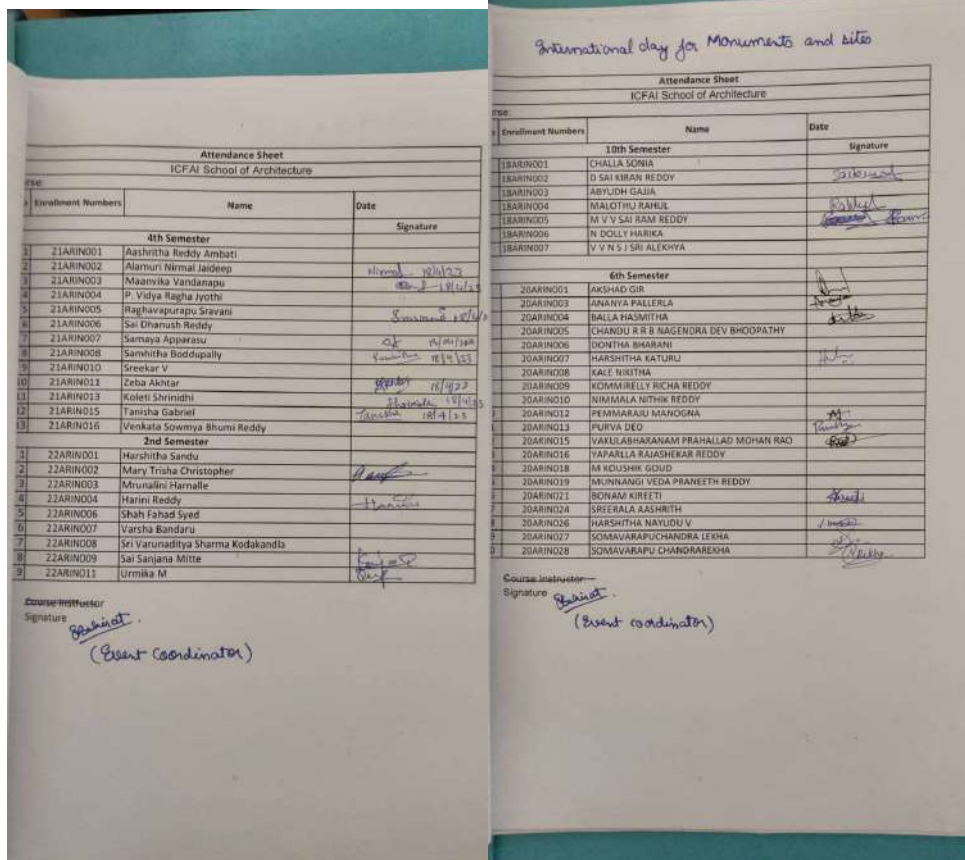

She gave a presentation on topic of **LEARNING SDG'S THROUGH HISTORIC - ARCHITECTURE AND NATURE CULTURE CONNECT**
