

Teachers' Day (5th September 2023)

GRATITUDE NOTES:

Asana Club recently celebrated Teacher's Day with a heartwarming gesture of appreciation. Our members delivered personalized gratitude notes, each a small but meaningful token of thanks, to our dedicated teachers. The event was filled with smiles and emotions as these handwritten notes expressed the deep impact educators have on our lives. The photos capture touching moments of connection, as teachers received these heartfelt messages with gratitude.

STICKY NOTES:

Asana Club had a wonderful idea to make Teachers' Day special this year. We used colourful sticky notes to write little thank-you messages, and then we stuck these notes on each teacher's cabin door. It was like giving them a surprise gift! When the teachers arrived, they saw these notes with kind words and felt appreciated. Their smiles lit up the whole college. It was a small gesture, but it made a big difference in showing our teachers how much we value them. Our simple act of gratitude brought warmth and happiness to our teachers hearts, making Teachers' Day even more special.

WORD SEARCH PUZZLES:

On Teachers' Day, the Asana Club added a twist to our celebrations by creating four sets of exciting word search puzzles for our teachers. Each set was filled with some hidden words. Teachers dove into these puzzles, hunting for words. We even had four winners, one from each set, who cracked the puzzles with speed and skill. It was a joyful moment for both students and teachers. These word search puzzles added a touch of challenge and fun to our Teachers' Day celebration, making it even more memorable. Our teachers appreciated the effort and creativity behind this unique way of expressing our thanks. And the winners from each set are:

SET 1: Dr. Loreina Pagag

SET 2: Dr. P. Rohini and Dr. Gautam Kumar

SET 3: Dr. G. Suresh Kumar

SET 4: Dr. Sunil Das
