Harmony Run and Blood Donation Camp
(15th November 2023)

Asana club recently organized a dual-event initiative to promote health awareness and community well-being. The event commenced with a spirited "Harmony Run" aimed at fostering a healthy lifestyle and culminated in a highly successful "Blood Donation Camp."

Harmony Run (15-11-2023)

The run was strategically planned to precede the Blood Donation Camp, creating a vibrant atmosphere. A good number of student participated in the run, gathered at FST entrance, ready to embark on a route that traversed key locations on our campus, spreading awareness about the impending Blood Donation Camp.

Objective of the Run:

Health Promotion: Encouraging physical fitness and a healthy lifestyle.
Community Engagement: Bringing together diverse individuals for a shared cause.

Highlights of the Run:

The route covered significant landmarks like ICFAI Law School, BBA, Bru Cafe, and concluded at the FSTcircle. Enthusiastic participation from various segments of the community, fostering a sense of unity.

Blood Donation Camp (16-11-2023)

Following the spirited run, attention was redirected towards our Blood Donation Camp held at FST Auditorium. The camp aimed at contributing to a noble cause by collecting blood donations from willing participants.

Objective of the Blood Donation Camp:

Community Service: Providing an opportunity for individuals to contribute to the well-being of society.

Raising Awareness: Educating participants about the importance and impact of blood donation.

Successes of the Blood Donation Camp:

Overwhelming Participation: The camp witnessed an impressive turnout, exceeding our initial expectations. A total of 148 members donated blood and also 200 bags of blood were recorded.

Diverse Donor Profiles: Contributions came from students, faculty, also the students of BBA and Law participated embodying a true spirit of community service.

Professional Medical Support: The camp was conducted in collaboration with RED CROSS, ensuring a safe and hygienic donation process.
