Education, Dr. B. R.
Ambedkar University

Conference Note

The objective of this national conference on Transformational Trends in Linguistics, Literature and Language Teaching (TTLT) is to invite various original research papers on the theme to explore the transformational trends in the mentioned realms. The rise and evolution of English as a global language has shifted the paradigms of the scope of the transformation of the methods by which English is taught in the present technology driven global world. The conference focuses on different arenas to discover innovative methods and practices in Linguistics, Literature and Language Teaching.

About IFHE Hyderabad

About IFHE Hyderabad: The ICFAI Foundation for Higher Education is a deemed University established under section 3 of the UGC Act, 1956. It has evolved a comprehensive student-centric learning approach consisting of several stages, designed to add significant values to the learner's understanding in an integrated manner, covering relevant knowledge, practical skills, and positive attitudes. The University is a member of the Association of Indian Universities (AIU) and Association of Commonwealth Universities (ACU). IFHE offers UG, PG, and Ph.D. programs in Science and Technology (IcfaiTech), Management (ICFAI Business School), Law (ICFAI Law School) and Architecture (ICFAI School of Architecture).

About IcfaiTech: IcfaiTech (Faculty of Science & Technology) is a constituent of The ICFAI Foundation for Higher Education (IFHE). IcfaiTech aims at nurturing graduates and researchers who are critical thinkers, creative, and have a holistic education experience. Students are given the flexibility to choose their academic courses from a wide range of electives offered to them at the first degree and higher degree levels. Innovative methods of teaching, cutting-edge curriculum, workshops, and internships further broaden our students' intellectual and global outlook.
