

**NOVEMBER 9TH, 2024**

IFHE has been awarded as the "Promising Private University for Research in India" at the 7th Industry-Academia Annual Conclave - 2024, organized by the Federation for World Academics (FWA) and Education Post News (EPN).

Held on November 9, 2024, at Hyatt Regency, New Delhi, this event focused on "Employment & Employability: Ascending the Curve," bringing together 200 delegates, including academic leaders, industry experts, and entrepreneurs, to address the gap between education and the job market. With 20 panel discussions covering topics like the future of work and essential 21st-century skills, the conclave saw the attendance of 50 Vice Chancellors, Directors, and Principals, along with venture capitalists eager to explore new startups and ideas. \*\*IFHE was a proud partner in this impactful gathering.
