# ICFAI FOUNDATION FOR HIGHER EDUCATION

The ICFAI Foundation for Higher Education (IFHE), Hyderabad is a Deemed University established under Section 3 of UGC Act, 1956 and accredited by NAAC with "A" Grade. IFHE offers career-oriented professional programs in the disciplines of Management, Engineering and Law at a global standard. IFHE adopts inclusive and innovative technology-aided pedagogies to equip students with the requisite professional and personal life skills, as well as social and ethical sensitivity. IFHE has evolved a comprehensive student-centric learning approach,

designed to add significant value to the learner's understanding in an integrated manner, covering relevant knowledge, practical skills, and positive attitude. The university strives to create an intellectually stimulating environment for research, more particularly on areas bearing on the socio-economic and cultural development of the state and the nation.

## ICFAI Law School, Hyderabad

ICFAI Law School is a significant segment of the ICFAI Foundation for Higher Education, Hyderabad and recognized by the Bar Council of India. ICFAI Law School, Hyderabad offers integrated five-year courses - BBA.LL.B. (Hons) and BA.LL.B. (Hons), One-year LL.M. program in (1) Corporate and Commercial Laws and (2) Tax Laws, Ph.D (full time and part time) programs, and Eight Certificate Courses in Cyber Law, Infrastructure Laws, Law of Financial Services, Immigration Laws, Solid Waste Management and Law, International Trade Law, Forensic Science & Law and Goods & Services Tax Law. ICFAI Law School envisions to develop a new cadre of professionals who will not only command high level of domain proficiency but can also integrate activities for developing scientific and technological solutions.

## CENTRE OF EXCELLENCE FOR ENVIRONMENT AND FOREST LAWS

The Centre of Excellence for Environment and Forest Laws (CoEFL) of ICAI Law School, IFHE Hyderabad, has been founded with the objective of creating awareness on environment degradation and protection, to ingrain in future generations the idea of environmental protection and preservation. CoEFL has also conceived the Green Ambassadors Inspiring All (GAIA) Club, with a view to train students in a clinical way, and conduct various activities for the protection and upgradation of the environment. GAIA Club has been student centric since its inception having participation from all batches of BBA.LLB (H) and BA.LLB (H) programs, under the supervision of the faculty coordinators. The Centre is also a recipient

of training program projects of the MoEFCC, Government of India, to impart training to the Senior Indian Forest Service Officers nominated by MoEFCC from different parts of the State since 2018 and have successfully completed seven such training programs on Environment protection and forest conservation, Joint Forest Management: Issues and Challenges, and Intellectual Property Rights: Forest and Trade. The Centre has also taken an initiative to address the water crisis by organizing a symposium on “Water Resources: Sustainable Overtures” which was graced by eminent persons from the field of law, judiciary, NGO's and various government departments.

## ABOUT THE CONFERENCE

With environmental crises escalating, the imperative for robust governance frameworks has never been more evident. The conference on 'NAVIGATING THE FUTURE OF ENVIRONMENTAL GOVERNANCE: INNOVATIONS IN LAW, POLICY AND FINANCE' offers a crucial platform for addressing the pressing challenges posed by climate change, biodiversity loss, and resource depletion. This conference aims to convene a diverse group of experts, policymakers, students, practitioners, and stakeholders. Key themes to be explored include policy and regulatory frameworks, technology and innovation, finance and investment, as well as human rights crises. The conference aims to foster a deeper understanding of the evolving landscape of environmental governance, with a focus on promoting environmentally responsible practices, strengthening governance frameworks and enhancing climate resilience. By facilitating interdisciplinary dialogue and knowledge exchange, the conference seeks to identify emerging challenges and opportunities, and generate actionable outcomes towards addressing shared environmental concerns.
