

## CLAP-IN – Club Orientation - Film Making and Stand-up Comedy on 14<sup>th</sup> March, 2024

Following a successful orientation event, Clap-In Club at ICFAI Tech recently organized the release of the movie "99% Love" in the auditorium. The event showcased the club's dedication to fostering creativity and entertainment within the community. From planning to execution, every aspect of the event was meticulously arranged, ensuring a seamless experience for attendees. As the movie commenced, the auditorium buzzed with anticipation, providing an immersive atmosphere for all present. This event underscored Clap-In's commitment to delivering enjoyable experiences to the ICFAI Tech community. Also we screened all the glimpses of our upcoming fixtures and projects. Encouraging all the artistic talents in the students!!!
