ICEFAI[®]
GROUP

• 11 Universities • 9 B-Schools • 9 Law Schools • 7 Tech Schools • 3 Decades in Flexible Learning

The BA Economics programs are offered by ICFAI School of Social Sciences, a constituent of the ICFAI Foundation for Higher Education (IFHE), Hyderabad.

In line with the *New Education Policy (NEP) of India*, ICFAI School of Social Sciences offers a **3-year BA Economics, a 4-year BA Economics (Honours), and a 4-year BA Economics (Honours with Research) UG Program**. These career-focused programs are campus-based and involve full-time study

All three programs are designed to transform students into well-trained economists with a firm grip and a clear understanding of the fundamentals and nuances of economics. All students will have the option to exit with a 3-year Economics UG degree. Likewise, students who initially choose to pursue the 3-year BA program will be permitted to opt for any one of the two 4-year programs later.

A few students from the first batch (Class of 2022) and second batch (Class of 2023) of the 3-year BA Economics UG degree have gained admission for higher studies in reputed institutions in India and abroad, including Madras School of Economics, Tata Institute of Social Sciences, TERI Climate Science and Policy, Gokhale Institute of Politics and Economics, Pune, University of Greenwich, London, University of Sydney, University College Dublin, Newzealand University etc

Students choosing the 4-year BA Economics (Honours) program will develop deep specializations in advanced economics and econometrics, and will hence enjoy an edge in the context of either securing superior career placements or pursuing higher degree programs in top-rated institutions in India or abroad, and are even likely to be preferred for admissions over their 3-year counterparts.

Students choosing the 4-year BA Economics (Honours with Research) program will be provided solid grounding in research approaches and methods to prepare them for exciting careers in either academics (institutional teaching and research) or corporate strategy or public policy-making/administration. These students will be formally and strongly recommended to pursue higher degree programs, including Ph.D., in top-rated institutions in India and abroad.

The new program has right blend of Major Discipline Specific Core courses, Discipline Specific Specialisation Stream, Minor discipline Stream, Interdisciplinary (Multi-Disciplinary courses), Ability and Skill Enhancement courses (Language, Soft Skills, Digital Skills etc), Internships, Research Project/Dissertation and Common Value-Added courses

Eligibility: Pass in class 12th or equivalent examination with an aggregate of 50% and above marks (any discipline) with English as a medium of instruction.

Selection Process: The selection is based on merit and Personal Interview. The applicant should fulfil the minimum age requirements as prescribed by the respective board through which the applicant has appeared for the qualifying examination.

Hyderabad Campus:
ICFAI School of Social Sciences, IFHE,
Dontanpalli, Shankerpally Road,
