IEEE International Conference on Advanced Networks and Telecommunications Systems
13-16 December 2021 // Hyderabad, India
Ubiquitous Digital Connectivity and Economic Prosperity for All

3 January 2022

Rashmi Sahay
rashmi.sahay@ifheindia.org

To Whom it may Concern:

This letter is to certify that the following paper listed below was presented at the **2021 IEEE International Conference on Advanced Networks and Telecommunications Systems (ANTS)** which was held as a hybrid conference on **13-16 December 2021, Hyderabad, India (IST).**

Paper Title: IB-RPL: Embedding Isolation and Blacklisting of Malicious Nodes in RPL for Securing IoT-LLNs
Presented by: Rashmi Sahay
Registration Number: 8XNV5YMZB4Q

On behalf of the **2021 ANTS Organizing Committee,** we would like to thank the author for their participation in making this year a success. Please contact Shirley Cisneros, s.cisneros@comsoc.org, if you would like any further information.

IEEE is the world's largest technical professional association dedicated to advancing technological innovation and excellence for the benefit of humanity. Founded in 1884 by a handful of practitioners of the new electrical engineering discipline, today's Institute is comprised of more than 400,000 members who conduct and participate in its activities in 160 countries. The men and women of the IEEE are the technical and scientific professionals making the revolutionary engineering advances, which are reshaping our world today.

Sincerely,

Dr. V. Radha, IDRBT
General Chair of ANTS 2021
