47.1	Grant of leave of absence, if any
	Smt. Sobharani Yasaswy, Prof. A V N Rao, Mr. T P Das, Prof. Sashikala
47.2	Confirmation of the Minutes of the 46th meeting of the Internal Quality Assurance Cell
	The minutes of the 46 th meeting of the Internal Quality Assurance Cell were confirmed.
47.3	Follow up action on the Minutes of the 46th meeting of the Internal Quality Assurance Cell
	The follow up action on the Minutes of the 46 th meeting was reviewed
47.4	<p>The following points were reported, deliberated and discussed:</p> <ol style="list-style-type: none"> 1) The student strength of the University was reported to the IQAC as 9256 (IBS-5393, FST-2400, FoL-1295, SoA-68, FoSS-100) 2) The cell has reviewed and deliberated on the following criteria: <p>C-1: Curricular Aspects</p> <ol style="list-style-type: none"> a) It was noted that an orientation workshop on NBA accreditation by Prof. P N Razdan was conducted by ICFAI Staff College to provide an understanding of the Program Outcomes (POs) and Course Outcomes (COs) and its attainment. It was suggested to arrange another hands-on workshop on this as this is necessary for NBA accreditation as well. This was a critical area during the last NAAC accreditation cycle. (ICFAI Staff College shall identify suitable resource person to steer the hands-on workshop)

- b) It was suggested to have a few common courses that can be offered to all the students of IFHE irrespective of their disciplines and areas. For instance, Understanding India, Health and Wellness, which is already in place. A new course/module to include salient features of the Constitution of India was also suggested.
- c) It was suggested to list the 50 value-added courses and generate documentation for AQAR. Value added course should be of 30 hours duration, non-credit course, with at least 30 students registered for the course.
- d) It was suggested to gather the data on students registered for SWAYAM/NPTEL/MOOCs platform. It was suggested to explore the possibility of giving fractional credits for such courses.
- e) It was suggested to include field projects/research projects in the course curriculum wherever it is possible.
- f) It was suggested to consider Professors from Peer institutions for collecting structured feedback on the curriculum

C-2: Teaching-Learning and Evaluation

- g) Student-Fulltime teacher ratio was reported as 26:1 as against the target of 20:1. This calls for immediate hiring of faculty members to bridge the gap [9256/357=25.92%]
- h) Percentage of full time teachers with PhD was reported as 81.2% (290/357). We have to sustain this by focusing on quality hiring.
- i) Average teaching experience of full time teachers should be above 15 years. We are now at 10 years. It was suggested to recalculate the experience in years by adding the total work experience (including the previous wrk experience) of each employee.
- j) The examination dept. is advised to maintain the number of days from the date of last semester-end/ year- end examination till the last date of declaration of results between 12-15 days
- k) End-to end automation of Examination procedures need to be implemented.

C-3: Research, Innovation and Extension

- l) It was suggested to issue a circular with immediate effect inviting research proposals for seed money grant to the tune of INR 80 lakhs. The committee should review and clear the proposals in two months.
- m) IQAC recommends improving the enrolments in PhD Program by enhancing the stipend to 40K, 50K and 60K as against the current stipend of 25K, 35K and 40K respectively. It was also suggested to reduce the program fee of the part time PhD program in Engineering and Sciences.
- n) IFHE has reported the receipt of 60 lakhs research funding so far. It was suggested to explore all sources of research funding as the target is 500 lakhs per year. In addition, the per capita research projects for five years should be greater than two.
- o) It was also suggested to generate the list of recognized PhD guides.
- p) It was suggested to explore the avenues for collaborative and interdisciplinary research.
- q) It was suggested to improve the publications in terms of quality and quantity. Per capita journal publication per year to be maintained at two. 326 publications have been reported for the period June 2022- August 2023 as against the target

	<p>of 700 publications per year. It was suggested to report the number of publications as on 31st Dec 2023.</p> <p>r) Per capita books and chapters per year has to be maintained at two. Forty (40) books have been reported so far as against the target of 700 books in a year.</p> <p>s) It was suggested to encourage faculty members to develop e-content for SWAYAM/MOOCs platforms in collaboration with faculty members from other institutions through peer networks</p> <p>t) It was suggested to focus on quality corporate training programs and consultancy projects to maintain a target of at least 50 lakhs per year. So far, the revenue is reported as 29.61 lakhs.</p> <p>u) Average citation index is reported as 1.88 as against the target of above 10 for 5 years</p> <p>v) Average H-index is reported as 9.5 as of now as against the target of above 35 in 5 years</p> <p>w) It was suggested to actively engage in activities with institutions where MoUs are in place.</p> <p>C-4: Infrastructure</p> <p>x) It was reported that the installation of RFID tags in the library is under negotiation with the vendor (Dr. Pushpa)</p> <p>y) It was suggested to provide periodic data of library footfall and utilization (Dr. Pushpa)</p> <p>z) It was reported that the application submitted for Unnat Bharat Abhiyan scheme was under review with IIT-Delhi.</p> <p>C-5: Student Support and Progression</p> <p>aa) It was suggested to plan and start the activities under NSS</p> <p>bb) It was suggested to obtain fresh permission for a NCC unit</p> <p>cc) It was suggested to re-look at the attendance policy for students participating in national sports and cultural events.</p> <p>dd) It was suggested to explore the possibilities of releasing a monthly newsletter for IFHE, capturing the major events and circulate it among the alumni</p> <p>ee) It was suggested to recognize the alumni by issuing a certificate of appreciation signed by the Vice Chancellor to the alumni who is contributing to the alumni fund in cash or kind. Item 48.04

Agenda and Discussion Items

(Prof. Sindhuja P N will brief the meeting)

1. **Background Note:- In view of Dr. Radhakrishnan Committee Report**
2. **Fourth Cycle of Accreditation Assessment Period**
3. **Criteria-Wise Metrics – Binary Accreditation Framework**
4. **New Metrics introduced in the Binary Accreditation Framework**
5. **Review of Research Publication & Grants and Faculty Count**

1. Background Note:- In view of Dr. Radhakrishnan Committee report

The Ministry of Education, Government of India, approved Dr. Radhakrishnan Committee report on transformative reforms in accreditation on 29th June 2024. Based on the recommendations of the Committee, the Executive Committee of NAAC proposed launching of Reforms in two phases-Binary Accreditation and Maturity Based Graded Levels.

The Executive Committee further confirmed that HEIs already accredited should continue to hold the accreditation with the grade until its validity exists (For IFHE, the accreditation is valid until 12th Sept 2027). During such a valid period of accreditation, such institutes may apply for Maturity Based Graded Level (MBGL) at any time after the announcement of the MBGL system.

2. Fourth (4th) Cycle of Accreditation Assessment Period

- a) Research & Publications – Jan 2022 to Dec 2026 (Calendar Year)
- b) Academic Aspects – June 2022 to May 2027 (Academic Year)
- c) Financial Aspects – April 2022 – March 2027 (Financial Year)

The AQAR 2022-23 was submitted in May 2024 and approved in June 2024
The IIQA Submission is on 1 July 2027

3. Criteria-Wise Metrics – Binary Accreditation Framework

Under Binary Accreditation system, there are 59 metrics spread across 10 criteria. There are 30 qualitative and 29 quantitative metrics. The details are presented below:

S.No.	Attributes	Metrics	Input/ Processes/ Outcomes
1)	Curriculum Design	8	Input (25%)
2)	Faculty Resources	6	
3)	Infrastructure	6	
4)	Financial Resources and Management	6	
5)	Learning & Teaching	7	Process
6)	Extended Curricular Engagements	6	

7)	Governance and Administration	8	Outcome
8)	Student Outcomes	8	
9)	Research and Innovation Outcomes	8
