

FACULTY PROFILE

Name: IVATURI VEERESWARA SARMA

Designation: Assistant Professor

Teaching Areas: Surveying, Analysis of Structures, Transportation Engineering

Research Interest: Numerical Modeling of Landslides in Earthquake induced Areas

Education:

- (Ph.D)- IIIT, Hyderabad
- M.Tech., (Rock Mechanics), IIT Delhi, 2002
- B.Tech., Civil Engineering, JNTU, Kakinada ,2000

Total Professional Experience: (Total 8 Years)

1. 2011- till date: Assistant Professor, FST, IFHE, Hyderabad
2. 2010 - 2011: Ad hoc lecturer, RGUKT
3. 2005 - 2010: Assistant Manager (Construction) , L&T
4. 2004 – 2005: Assistant Engineer, Simplex Concrete Piles (I) Ltd form

Research / Selected Publications

1. K. S.Rao, R. P Tiwari, M.Dubey and I. V. Sarma, “Fatigue and Post Failure Behaviour of Sandstones under Static and Cyclic Loading”, IGC., pp. 59-64, December 2003
2. I. V. Sarma and D.Neelima Satyam, “Numerical Analysis of Tunnels in Jointed Rock Mass of Siwalik Hills”, Indian Geotechnical Conference., vol.I, pp.480-483, December 2012.
